## Look! ..... This is our fridge!

### Juanita

I live in El Calafate, a small town in Patagonia. Today we're preparing a barbecue, so we've got lots of chicken, sausages and salmon in our fridge. There's a rice salad with prawns and tuna – it's delicious! We've also got twenty-four eggs because my mum loves making cakes.

### Caitlin

My family is from Scotland and we're vegetarians, so we haven't got any meat in our fridge. We usually have a lot of vegetables and today we've got some broccoli, ten carrots and a lot of tomatoes. We haven't got any milk and we haven't got much juice, but that's OK, because we all drink lots of water.

### Chuck

We're from Wisconsin. I've got a big family and a very big fridge! Today we've got some ham, lots of bread and sausages. We haven't got many eggs, but there's a lot of yoghurt, because we all love yoghurt. We've also got lots of fruit because I often make smoothies for breakfast.
